Spring Hills Mount Vernon offers a comprehensive and caring Alzheimer's and dementia care assisted living program. The mission is to serve the special needs of individuals with Alzheimer's disease, dementia, and other forms of memory loss. Spring Hills Mount Vernon offers a "Caring with a Commitment to Quality" approach to help people with memory loss maintain function. A structured care program provides the stability of a routine while maximizing independence and autonomy.

The capacity of residential and dementia care is 95.
