Greenspring and Renaissance Gardens Assisted Living are operated by the Erickson Retirement Communities. Residential and assisted living care provides non-medical personal and health care services, 24-hour supervision, and assistance for the care of adults who are aged, infirm, or disabled. Assistance with activities of daily living, such as dressing, bathing, feeding, grooming, medication reminders and more are available to those who need that level of care.

There is a medical center on campus with dedicated physicians and nurses that serves residents only. Specialists such as podiatrists, dentists, cardiologists, optometrists, and others keep regular hours. Shuttle transportation is provided.

Amenities include 24-hour visiting hours, special dementia and Alzheimer's care, on-site spiritual services, emergency call systems in each residence, and a care-for-life program.

The capacity of assisted living and memory care is 262 residents.
