Westminster Canterbury's Memory Support Center offers safe, secure, and comfortable surroundings to residents living with dementias. Through structured meals and activities, residents in the Memory Support Center receive consistent mental, physical and social stimulation considered vital in maintaining one's highest quality of life.

The center features an enclosed courtyard and garden where residents can enjoy the outdoors. It is specially designed to minimize anxieties, stimulate the senses, and improve sleep patterns. Westminster Canterbury meets the needs of residents in its Memory Support Center through assistance with daily living skills, medication management, one-on-one interaction, and group activities in a pleasant homelike atmosphere.
