TLC Adult Home is owned and operated by family members who provide care for adults who require assistance with at least two activities of daily living. This level of service includes individuals who require assistance because of significant behavior problems. Facilities licensed for the assisted living level of care also may provide care to residents who require only the residential level of care. Capacity is eight residents.

Serves three hot meals daily along with snacks. Laundry service and pharmacy delivery is provided. Offers two large walk-in showers that are disability accessible along with a Jacuzzi bath. All living facilities are on the ground floor. A licensed professional is ALWAYS on duty to administer medications, injections, oxygen, nebulizer treatments, etc. Not a skilled facility, however if a resident needs some form of rehabilitation it can be accomplished onsite at TLC through home health agencies.
