Heritage Green Assisted Living Community in Lynchburg caters to seniors requiring assistance with activities of daily living, but who do not require skilled health care services. Individualized care and assistance in a professionally managed home-like setting allow each resident to maintain maximum independence. Residents find a unique mix of security and independence, privacy and companionship, and physical and social well-being. A variety of therapeutic and social activities are offered. These include wellness and fitness programs, health clinics, guest lectures, cooking classes, movies, and gardening, as well as scheduled group excursions. The capacity for assisted living and memory care is 124 residents.

A monthly charge is all-inclusive. Included are meals, snacks, personal laundry, housekeeping, linen service, and extensive activities. The campus features a disability-accessible van and a regular van for outings. Heritage Green offers short-term respite care too.
