The Sheriff's Office (Civil Process Department) provides a program to seniors titled "Seniors-In-Touch" (SIT). This program operates with the help of Senior Connections, the Capital Area Agency on Aging (CAAA), the Chesterfield Police Department, senior organizations and concerned community citizens committed to reducing crime and improving the quality of life for older individuals.

Deputies make regular contact with assigned senior citizens throughout Chesterfield County. They check on their well-being and provide a friendly face for those who may not otherwise see one. Call for more information.
