ENDependence Center of Northern Virginia maintains a Personal Assistant Services Registry (PAS). Staff will answer questions about personal care attendants, including relevant state and national legislation. Personal Assistance sometimes called attendant care, includes help with a variety of activities, such as getting out of bed, bathing or meal preparation. Not having this basic help often prevents people from living independently, working or being an active part of the community. Please contact Vanessa Romero, vanessar@ecnv.org for further information about PAS registry.

ECNV offers an online PAS registry to help individuals find and hire personal assistants (PAs), also known as personal care attendants (PCAs).

Let QuickMatch make your search for a Personal Assistant a little quicker and a lot easier.
