Volunteers are an integral part of the care team at Virginia Hospital Center. They assist in all areas of the Hospital in administrative and clinical areas, but ALL volunteers must first be screened, interviewed and oriented to the Hospital before they begin work.

Adult volunteers must be at least 16 years of age and commit to a minimum of 4 hours of service weekly for a duration of 6 months. You can visit [Volunteer Agreement](#) and [Volunteer Application.](#)   Documents are required to complete application process.

To find out about volunteer opportunities, please call Human Resources at 703.558.6572 or Volunteer Services at 703.558.6195 and leave your name and address so that a package of information can be mailed to you. Once that application is received and processed, the Director of Volunteer Services will set up a personal interview with you.
