English

The residence program at The Laurel Center offers emergency shelter and support services primarily for individuals and their dependent children who are fleeing domestic violence or have experienced sexual violence. Age-appropriate case management is provided to all members of the family while in residence. Residents receive support in identifying employment, housing, and other support opportunities in the community.

Call 540-667-6466 for more information about the shelter. For additional information about domestic violence, call 1-800-838-8238, Virginia Family Violence and Sexual Assault Hotline.
