Community Involvement provides volunteer opportunities for interested citizens in the various schools of the Norfolk Public School System. Individuals volunteer either at their neighborhood school or through business partnerships formed between the business and a school.

Periodic volunteers assist occasionally, such as once a month, or for specific events. Regular volunteers assist on a regularly scheduled basis, such as once a week.

Volunteers read to students, offer assistance with after-school homework, and serve as role models to students.

Volunteers are often needed at the Adult Basic Education classes, as well as ESL classes.
