Volunteers are welcome at The James House. Some of the ways a volunteer can help include being a hospital advocate, a facilitator for the REACT and MAP the Way children's programs, being an ambassador from The James House speaker's bureau at community events and speaking engagements, providing administrative support and being a support group co-facilitator. Volunteer training is offered 5-6 times per year.

Volunteers must be dependable, in good health, and have great organizational, verbal and writing skills. Volunteers are needed for short term, long term and special events.

An application is required. Contact Hannah Donnelly at 804-458-2704 or volunteer@thejameshouse.org.
