Grace Evangelical Lutheran Church has a small collection of gently worn durable medical equipment to loan. Equipment is loaned first to families who are members of the church and who are not financially able to purchase such equipment or for which insurance coverage does not pay. Medical equipment can also be loaned to individuals who are not members.

The program tries to accommodate individuals who are not a member of the church. Some of the items available are walkers, tub benches, canes, and crutches.

If you have used, clean medical equipment and supplies that you no longer need, please consider donating them.
