NAMI's Family to Family Education program is a free course that runs for 8 weeks for family caregivers of individuals with behavioral health disorders. The curriculum focuses on schizophrenia, bipolar disorder, manic depression, clinical depression, panic disorder, and obsessive-compulsive disorder. The course teaches the knowledge and skills needed to cope more efficiently and discusses clinical treatment. [August 2023 events](#)

This course is offered in various locations throughout Virginia. If you do not know the local affiliate, call the state office at 804-285-8264 for information.
