Senior Adult Ministry strives to enhance the lives of older adults through learning, worship, socialization and recreation.

The Senior Adult Ministry oversees the ministry of "The Place", Lunch and Learning, Mid-Week Worship and other senior activities. The "Lunch and Learning" program currently meets each Tuesday at 1:00pm. After a pot luck luncheon, guest speakers from various organizations present various topics of interest to seniors.

Senior Adult University meets on Fridays at 11:00am. This is a free educational and enrichment program for older adults. Different classes are held each month. Previous topics have been "Causes of the War Between The States" and "Seniors and Finances". A senior movie follows the presentation
