Senior Life Solutions is dedicated to addressing the emotional and behavioral health of adults over the age of 65. Through a combination of therapies, education and wellness programs, Senior Life Solutions can assist older adults in developing living skills that help them cope with problems that may accompany aging.

The program works to improve emotional stability and increase general functioning, and to help patients identify, develop and increase coping skills.

Senior Life Solutions develops an individualized treatment plan for each patient. The program uses a holistic approach to treatment, offering a variety of therapies and activities including:

- Psychiatric evaluation
- Group/individual/family therapy
- Medication educational group
- Dietary consults

- Psychiatric medication management
- Discharge planning
- Spiritual considerations
