KAHIN Corporation offers personal care. Home Health Aids (HHA) provides supportive function in personal care and Activities of Daily Living (ADL) assistance. Professional staff can help with bathing, dressing, grooming, toileting, and other assistance with activities of daily living. Also can prepare meals, make beds, change linens, do laundry and light housekeeping, medication reminders and companion care.

Companions can provide non-medical services such as medication reminders, meal preparation, housekeeping, transportation to appointments, errands and shopping.

Somali is also spoken.
