Senior Helpers provide personal care to seniors who desire to maintain their independence at home. Based on their needs, each client has an individualized one-on-one care plan.

Services: Homemaking: Meal planning & preparation, errands, transportation, light housekeeping, laundry, linen changing, household management, personal hygiene - bathing, dressing, walking assistance.

Caregivers: Caregivers who come to the home are on our internal staff, not independent contractors. All employees must go through a rigorous screening and interviewing process, which includes personal and employment references and criminal background checks. They are fully insured and bonded, and work under the supervision of the staff RN.

Services are offered from as little as 4 hours per day, right up to 24/7 and live in. Flexible agreements are offered, so you can stop services at anytime.
