Independence Senior Care offers respite care for family caregivers to give them a break to shop, vacation or just read. Services can include assistance with activities of daily living in your home. Services can include medication management and reminders, meal planning, preparation and clean-up; ambulation, transferring and

lifting assistance; light housekeeping; laundry and changing linens; transportation and accompaniment to shopping, medical appointments or dining.

Personal care for dementia, Alzheimer's and hospice patients.

Caregivers are bonded and insured, screened and include Geriatric Nursing Aides, Certified Nursing Aides, Personal Care Aides and companions.
