Healthy Home Services can assist homeowners with modifying and maintaining their homes to make it elderly-friendly. Staff can facilitate a complete home maintenance program for your peace of mind. Services can include window cleaning, move-out or move-in cleanings, chimney cleaning, leaf removal, trimming shrubs, etc.

Our home evaluations are designed to alert homeowners on an annual basis of any damage-causing conditions at their homes. Our proactive approach saves homeowners money. We use our extensive checklist to help determine what steps homeowners need to take to avoid costly repairs in the near future. Combine that with our ability to schedule all your home maintenance needs and receive our complete care of your home and yard.

"Aging-in-place" strategies are available for individuals who are physically challenged. Certified Aging-in-Place specialist on staff. Specialists can help identify present and future needs; plan strategies for maintaining your home as you age, offer home security and alarm options, and much more.

Healthy Home offers termite control and warranties, pest control, mildew and fungus treatments, cleaning services, home evaluations, and home maintenance programs.
