Our Lady of Perpetual Help offers respite care in the Nursing Center or Assisted Living. Sometimes a little extra help is required after recouping from surgery or recovering from a minor injury. Also, if you are a caregiver and space is available, respite care will give you that much-needed break.

Residents who are in respite or short-term stays receive the care and attention they need, whether a short 2-week stay or more lengthy time is necessary.

Service Area(s)

Suffolk City

,

Virginia Beach City
