Atcap Home Health Care Services offers home health aides to provide assistance with activities of daily living, ie, assistance with bathing, dressing, grooming, hygiene, feeding, ambulation and more. Other services can include but are not limited to, companionship, light housekeeping, medication management, blood pressure, and temperature monitoring, meal preparation, etc.

Other services available are live-in care, skilled and unskilled nursing care in the home.

A medical social worker is available as well as home health aides to provide personal, companion or respite care.

Experienced professionals can care for those with Autism, physical disabilities or dementia. Please call for more information.
