Sunrise of Hunter Mill is ideal for seniors who value their independence but need help with daily activities, such as bathing, dressing, and medication reminders. The focus is on individual wellness and encouraging continued independence with a tailored plan of assistance provided by trained team members available 24 hours a day. Assisted Living is a home-like, resident-centered alternative to many nursing homes. Still, at Sunrise, it is a different option to consider when a senior does not require intensive 24-hour skilled nursing care.

The capacity for assisted living and memory care is 100 residents.
