Heritage Green Assisted Living, Hanover is a residential and assisted living care facility offering a memory care neighborhood designed for the care of those residents who are experiencing memory impairment. The Daybreak Memory Care program is designed to improve the quality of life of residents through socialization and participating in familiar activities. Resident's lives are enriched by linking to their past through memory-stimulating activities. The community is a highly structured, secure environment that is designed to promote clinical, personal, and social needs in a supportive environment.
