English

Rebuilding Together has provided extensive home rehabilitation and modification services to low-income homeowners across the country for over 25 years.

With the help of everyday citizen volunteers, skilled tradespeople and the support of local business and major corporate partners, Rebuilding Together affiliates make life better for thousands of low-income homeowners every year.

Interior repairs can include install a grab bar, tub seat and hand held shower, change doorknobs to lever, add toggle light switches, sturdy stair railings and ramps and can provide emergency year-round services, in addition to major rehabilitation projects. Homeowners must be low-income and elderly, disabled or families with children and unable to do the work themselves. Families are referred through churches, synagogues, community organizations and service groups, or by self-referral.

Service Area(s)

Fredericksburg City
