Senior Helpers, Charlottesville covers the Winchester, Culpeper and Front Royal area and offers personal care for those individuals who desire to maintain their independence at home. The service schedules are flexible and are non-contractual, so you don't have to commit to a fixed length of time. An in-home assessment helps to determine the type and level of care needed.

Services can include, but are not limited to, assistance with activities of daily living,

such as assistance with bathing, toileting, dressing, hygiene, feeding, ambulation and more.

Caregivers must go through a rigorous screening and interviewing process, which includes personal and employment references and criminal background checks. Caregivers are fully insured and bonded and work under the supervision of the staff RN.

Also available are professional individuals to serve as "sitters" to stay with your loved one while they are in the hospital allowing the family to rest well knowing someone is there watching over and helping their loved one if they need extra support.
