The Domestic Violence and Supportive program of Shelter House consists of Rapid Rehousing programs that operate outside of the shelters. The program creates the opportunity for households with and without children that are experiencing domestic violence to end homelessness and to obtain a lease in their own name. Kate's Place and RISE consist of 20 units. Offsite and NOVACO offer permanent, affordable housing for 10 formerly homeless families.

Call the office for more information.

Languages: English; Spanish-speaking staff member is available. Client is referred to another agency for other languages. Call ahead.
