The mission of Medical Transport is to provide integrated, high-quality, medical transportation to the patients, facilities, and communities in which we serve. We aspire to provide high-quality treatment to patients, before and after hospitalization and/or medical treatment, in accordance with protocols established by the medical community within our respective area, in addition to promoting corporate financial stability.

In order to meet our patient's expectations, we maintain a large fleet of technically advanced ambulances and specialty purpose vehicles designed to handle routine and complex medical situations. To schedule transportation, please call (800) 322-3451.
