Greater Lynchburg Transit Company (GLTC) offers public fixed-route bus service and paratransit service.

The local public bus routes are within the City of Lynchburg and a portion of Madison Heights, Visit the website for [Fares and Passes and Route](#) Information. Exact fare or passes are required. Bus operators cannot return change. Bus passes can be purchased with a credit or debit card for 14 or 30 days.

The Customer Service Center, or Transfer Station, is located at 800 Kemper Street adjacent to the Kemper Street Amtrak Station. The facility provides easy access to all patrons from rail to pedestrians and even bicyclists from the Kemper Station Trail. Besides bus transfers, the station services include the sale of GLTC tickets or passes, an application for discount fares, help with special services, or filing a comment or complaint. Call for discounted fare information for older adults and persons with disabilities.

Paratransit Service, or 'PTS,' is a public transportation service for qualifying individuals whose disability prevents them from using the regular GLTC bus routes. These rides are provided in vehicles smaller than buses but may have more than one passenger aboard. Rides can be requested from and to any location within our service area. GLTC's service area for PTS includes the entire city of Lynchburg and a three-quarter (3/4) mile radius around our bus routes that extend beyond the city limits.

PTS provides an origin-to-destination service. The PTS driver or operator will assist you with boarding and disembarking the vehicle and help you secure yourself or your mobility device in the vehicle. The fare for a paratransit trip is \$4.00 per person per one-way trip. You must have the exact fare, as drivers do not carry change. For your convenience, you may purchase passes for 14 or 31 days.

ADA Applications can be found on the website, as well as the Route Guide and Map and an ADA Complaint procedure.
