Purple Heart Homes (PHH) Central Virginia Chapter was formed in January 2024 to serve the greater Lynchburg area and honor those who served by providing housing solutions and employment opportunities to qualified Veterans.

PHH is a nonprofit organization that supports service-connected disabled and senior veterans through a growing network of local chapters. Programs include critical home repairs and renovations to help veterans live independently in their homes; including wheelchair ramps, roof repairs and replacements, replaced well pumps, and more; homeownership programs, and transitional housing through partnerships.
