Options for Senior America offers home companions and personal care, including respite care. This service allows patients to get the assistance they need without leaving home. A companion assists with personal care, meal preparation, household chores, and supportive functions or you can have a "live-out" for a number of hours. All aides are licensed, bonded, and insured. Both live-in or out options are available. All Aides go through an intense interview process, criminal background check, and reference check.
